Our History

Since 1953 there has been an ice cream shop at our location. Firth Farms, Pine Valley Farm/Lavoie's Dairy, Crowley Farms, Little Maggies, Gary's Ice Cream and now Chelmsford Creamery. We make all our own ice cream on site using the freshest milk & cream, Imported Coconuts, Pure Vanilla and other locally sourced ingredients. During the 48 years that Gary's Ice Cream existed they perfected the formulas invented by Glennie's Ice Cream which Chelmsford Creamery still uses to make all of our own Ice Cream, Fudge Sauce, Syrups, Cookies, Brownies Crisps and Shortcakes.
